<b>TOTAL</b>	<b>100%</b>	<b>100%</b>
35.5% of Lompoc System Average is specifically purchased from individual suppliers.		
** Percentages are estimated annually by the California Energy Commission based on electricity sold to California consumers during the previous year.		
For specific information about this electricity product, contact the City of Lompoc. For general information about the Power Content Label, contact the California Energy Commission at 1-800-555-7794 or <a href="http://www.energy.ca.gov/consumer">www.energy.ca.gov/consumer</a> .		

2009 Fourth Quarter

Note: The coal and nuclear energy comes from wholesale spot market purchases made by the Northern California Power Agency (NCPA). The purchases are made for economic reasons or to supply needed power at times NCPA resources are unavailable.

This notice is required by California Public Utilities Code, Division 1, Chapter 2.3 of Part 12, Article 14, Section 398.1.
