“We Create Community Through People, Parks and Programs”

Coming in Fall 2011!

Dick DeWees Community and Senior Center

A new Community and Senior Center is in the process of being created and built. This building will be the home for senior and community wide recreation programs, a multi purpose room that has a seating capacity of 300 dining, a secondary dining room that can seat 100 dining along with a large kitchen and a patio for your outdoor event! Also there are rooms available for 30 people or less for meetings, gatherings or smaller events.

The new Dick DeWees Community and Senior Center will be located at
1120 West Ocean Avenue
